Arrival and Departure

Parents are always welcome inside the After Zone. Please park in designated parking areas. Do not block the circle drive and do not leave your keys in your car. **Always turn off your car and lock the doors.** Escort your child to his/her class and never leave them unattended. The child must be left in the care of an employee. Always check your child in and out for the day. This is required by the Health Department. Never send a child in to pick up your child registered at the After Zone. An adult must accompany the child. A written note is required if someone other than a parent is picking up the child and must be listed on the authorized pick up list. A valid driver's license is required from the adult picking up your child before we will release your child.

Health

The After Zone only accepts children that are able to conform to group care and who do not have medical needs that require individualized care. Daily one-on-one medical attention is not available at the After Zone. We ask that parents help us to keep this facility as germ free as possible and not send in sick children. Please be sure to inform us of any medical changes that may occur during enrollment. This is especially true of allergies.

If your child runs a fever of 100.4 degree's or above, has loose bowel movements, vomiting, tear matting or eyes draining, severe coughing or wheezing, you will be notified to pick up your child immediately. All children must be fever free for 24 hours without administering fever-reducing medications before returning to The After Zone. Contagious conditions such as head lice, ringworms, impetigo etc. require treatment before the child can return.

There will be absolutely no smoking on the premises at any time.

Sunscreen

You will need to sign the attached waiver to give our staff permission to spray sunscreen on your child for outside play time. You will need to apply the first coat before arriving in the morning (during summers). We will only use spray sunscreen labeled with your child's name. The sunscreen bottle must have a current date on it.

Medications

The employees at the After Zone do not administer any OTC or prescription medications at any time. For the children who are diagnosed with Diabetes and require injections they must be able to administer the injection to themselves along with a parent note stating such.

Injuries

If an injury occurs, the After Zone employees are trained in first aid for minor injuries. Treatment will be limited to cleaning and bandaging. An accident form will be sent home to explain the nature of the incident. We must always have current and up-to-date contact information and will also need 2 alternative contact numbers in case we are unable to contact you. If the child needs immediate medical attention emergency personnel (911) will be notified or the child will be transported to the nearest emergency room.

Meals and Nutrition

An after school snack will be served along with a drink upon arriving at the After Zone. During the summer months, Spring Break week, Thanksgiving week and Christmas Holiday 2 week break the parents will be responsible for sending a sack lunch with the child. When After Zone is open all day, breakfast and 2 afternoon snacks are provided.

Sack lunches shall contain healthy foods. No over-abundance of candy, cookies, cakes etc. See Appendix C9 -14 for suggested foods and serving sizes. There will be more than sufficient refrigerated space to store sack lunches.

Clothing and Belongings

All clothing and belongings shall be clearly marked with the child's name. Every child will need to have a change of clothes to be kept in their assigned cubby at all times. This will only save you from having to bring clothes and leaving work in case your child has an accident during the day or happens to get dirty during the course of the day. We do not want to send your child home in dirty clothes if by chance you need to go somewhere after you pick them up.

Electronic devices are **NOT** permitted. **The After Zone will not be responsible for stolen, lost, or broken electronic devices.** There will be absolutely no cell phones allowed at any time. If a child needs to use the phone they will need to ask their teacher for permission. All cell phones and other electronic devices are to be left in the cubby assigned to the child.

Shoes must be worn at all times.

Playground

Outdoor play is essential for children therefore all children will be allowed to have ample time outdoors. Make sure your child is dressed appropriately for daily weather conditions. There will be no outdoor play time under extreme weather conditions. The rules for the playground are as follows:

1. No pushing
2. No bullying
3. No throwing rocks or dirt
4. No climbing up the slides
5. K5 & 1st Grade are not allowed on monkey bars.
6. Be respectful to your friends

10. No hitting
11. Go feet first down slides
12. No littering
13. Follow directions from your teacher
14. No foul language

Discipline

The After Zone will use the following methods of discipline:

1. Our method of discipline will not be of a humiliating, frightening, or physical nature. It will be consistent and individualized for each child. Discipline will be directed toward teaching the child appropriate behavior and self-control.
2. Spitting, hitting, kicking, punching, biting, inappropriate language, defiant behavior, and disrespect are not allowed. The consequences are as follows:
 - *First offense- verbal warning
 - *Second offense- lose play time/note to parents
 - *Third offense- a note sent to parents/possible suspension

Repeated disruptive behavior may result in dismissal from the After Zone.

Termination Policy

Occasionally, a child will experience some difficulty in adapting to the daycare's environment or abiding by the daycare rules of behavior. We will work closely with you to see if the problem can be resolved. If the child's behavior continues to be disruptive, we reserve the right to ask you to withdraw your child from daycare.

You must give a two week notice when voluntarily withdrawing your child from After Zone. You will be responsible for all final payments through the end of the notice period, whether in attendance or not.

If the rules and policies set forth are not followed, we reserve the right to terminate the daycare arrangements at any time. In such an event, we will be paid in full through the end of the week in which such termination occurs.

The child care arrangements will be terminated immediately for any of the following reasons (but not limited to):

- * Failure to comply with the policies set forth in the parent handbook.
- * Destructive or hurtful behavior of a child that persists even with parent cooperation in stopping the behavior.
- * Non-payment of childcare or late fees and/or recurring late payment of fees.
- * Inability to meet the child's needs without additional staff.
- * Blatant disrespect and/or disagreement from parent and child towards After Zone staff and management.
- * If a parent knowingly brings their child ill.

Field Trips

There will be times when field trips are taken, especially throughout the summer months. There will be permission slips sent home prior to the date of the trip. The permission slip must be returned by the due date in order for the child to be included.

All children who attend field trips must ride the After Zone bus or vans and **CANNOT be transported to or from field trips by a parent**, as we are liable for them. Children are not able to be dropped off or picked up from a field trip site. (This applies to swimming as well.)

Please do not allow your child to bring money on field trips. They will not need spending money for any reason. This has all been figured into the summer activity fee.

The bus and all vans owned by After Zone are insured and have all necessary inspections stickers, licenses, and registration.

Insurance

The After Zone does not have accidental insurance. If your child is involved in an accident and requires medical attention, the parent will be held financially responsible. We do cover liability which is different from and should not be confused with accidental insurance. The After Zone cannot be, or held to be, responsible for any care or service outside of or away from our building and/or regularly scheduled events.

Emergency

If for any reason After Zone has an emergency and needs to relocate, our relocation sites will be:

1. Little Footprints 301 Distribution Drive, Madison, MS 39110
2. Madison Untied Methodist Church 300 Post Oak Road, Madison, MS 39110
